Mayfest '21

Mayfest is Martin Luther School's annual spring fundraising event. We raise money to help keep tuition at a reasonable rate, update computer labs, and enhance the classrooms for students and teachers.

The items we use for the Silent and Live Auction are donated by businesses in the community, benefactors, and parents.

We ask you to supply at least one item per family which can be used on either auction. Silent auction items have a value of \$25-\$200. Live auction items are valued at over \$200. From past experience clothing, full size quilts and jewelry don't sell.

This fun filled evening is for adults and students who are in fifth grade or older.

Enclosed in this packet is the Donation Sheet for both silent and live auction items. Check the school website for the list of businesses who have been contacted.

Each classroom will prepare a special Classroom Basket for the Live Auction. Students are asked to bring \$5 to be used toward their classroom creation.

Summer is just around the corner!

On the Classical Education Front

Classical education is having a rebirth across our nation and even within our state. Our teachers were even more impressed with classical education after observing a

school in Minot that is in its fourth year of implementing the classical model.

Below are some links to information that share more information about classical education.

Musical? Did you say musical? (Please note the new date!)

ENCORE!

Grades 3-5 are making plans for "Encore 2" a collaboration of favorites from some of the musicals that we have done over our 26 years! This was in the works for last year, but

COVID put a stop to that.

The date is set for ~~APRIL 8th and possibly the addition of the 9th~~. The plan is to have an actual audience for this event, and we'll have to see how seating capacity might be impacted at that date. **NEW DATE!!! We are moving this to TUESDAY, MAY the 4th!**

Grades K-2 are also planning a musical. The date for this is **April 15th**. Get ready for the a stirring rendition of "Stone Soup" to come your way!

We can't tell you how excited we are to be on stage once again and to have you in our audience!

Chapel Services

The Martin Luther Chapel services will be live streamed on the **Martin Luther Facebook Page**. This is a change from the Martin Luther School 2020-2021 group. This will allow more people the opportunity to worship with us. We know that there are grandparents, family members, and other MLS supporters who appreciate seeing the services and hearing any special music that the students provide.

Watch for chapel every Wednesday at 8:30 AM!

**Lunches are still at
NO COST TO OUR STUDENTS!!**

We are LOVING the good eats that our cook, Miss Beverly, has created for us! From the office and kitchen staff, we apologize for any menu changes that have taken place as we have gotten started. We will try to announce those changes earlier to allow you time to make any arrangements as you see fit. We sometimes need to make substitutions as we navigate through this new program with the "Summer Lunch Program" which allows us to provide these meal at no cost to you.

RECENT CDC QUARANTINE CHANGES

Public health experts locally and at the national level are always analyzing data and making changes as new information becomes available. As a result, the CDC issued new guidance reducing the number of days close contacts will need to quarantine following an exposure to a COVID-positive individual.

- The new guidelines allow close contacts of those infected to reduce their quarantine period from 14 days to 10 days.
- If the close contact receives a negative result from a COVID test, they can reduce their quarantine to seven days.
- Residents at long-term care facilities and other congregate living settings are exempt from the new guidance and should continue to quarantine for the full 14 days.
- "Individuals will be able to end their quarantine after seven days if they receive a negative COVID-19 diagnostic test, are symptom free and wear a face covering or after 10 days without being tested," explained Howell.

- To test out of quarantine, a person can either do a PCR test or a rapid antigen test. The earliest a test should be done is 48 hours before being released from quarantine. Individuals must continue to quarantine while awaiting test results.
- Individuals should continue to monitor their symptoms and wear a face covering for the full 14 days.
- The NDDoH will be working to update the website and factsheets with the new information. For more information on COVID-19, visit health.nd.gov/coronavirus.

Pick Up During the School Day and Office Access

One of the hardest adjustments for us to make at MLS **AND** the hardest restriction to have to enforce is to limit parent access to the building. We've always appreciated the opportunity to visit with our parents and grandparents at drop off and pick up time. We appreciate your understanding when we work to reinforce new procedures to help keep all of us healthy and in school.

Just as a reminder for our K-6 grade guardians/parents.

- Parents are to drop off their student at the south door and not enter the building.
- If you need to contact Julie or Mrs. Wolfgram in the office, call the office (224-9070) and we will arrange to let you in and meet with you.
- In the case that you are in the building, we ask that you wear a mask.
- If you need to pick up your child early or for an appointment during the school day, contact the school when you have arrived, and we will escort your child to the front door to meet you.
- **Please note that the NORTH door is for Zion Lutheran Church activity only. Martin Luther families are to use the SOUTH and WEST doors only, NOT THE NORTH DOOR.**

If you need to visit in person with Julie, our office manager, call her at 224-9070, and she will arrange a time for you to meet with her.
