- 1 photo of your immediate family (mom, dad, siblings, or others who live in your home.)

A **nap mat** is recommended for your child's quiet time. (An example of nap mat is linked.) However, if you don't want to purchase a nap mat students may bring a towel or blanket **but it must easily fit into the storage container provided.** (Storage container is linked so you can see the size.) If your child attended the full-day preschool at Martin Luther, they should already have both of these things.
